

## Synthetic Cannabinoid Advisory Council

### Agenda for meeting on 3/12/2024

- 1) Attendance
- 2) D8 in distilled extract from legal cannabis distillate (Zach Schopp)
  - Sources and implications
  - Impact on 'synthetic' definition
  - How other state's regulations address this issue
- 3) Follow up discussion on the MT CSA's "dangerous drug analog" definition, featuring special guest Marcie Bough, legal counsel from Board of Pharmacy. (Tony King)
  - Do synthetic cannabinoids fall under this definition?
  - If so does that affect what potential guidelines for safe manufacturing can be put forth by the council?
- 4) Continued discussion of draft definitions. See definitions discussed in the 020824 Advisory Council Meeting Recap PDF (emailed to council members 2/16/24, also available here: <https://mtrevenue.gov/cannabis/education/resources-used-by-council/>)
- 5) Tasks for next meeting
